Press Release

Co-Mo to Begin Prepaid Pilot

Colleyville, TX, June 20, 2007: Co-Mo Electric CFO, Michael Nelson, announced today that Co-Mo will begin a prepaid pilot program utilizing Exceleron Software's Prepaid Account Management System (PAMS).

Jennifer Mercer, Customer Service Supervisor, expressed excitement in Co-Mo's ability to now offer members a feasible alternative to traditional billing. "It will be a great help to those members who are unable to come up with the initial deposit as well as those who have a tough month and would benefit by having their existing deposit applied to their unpaid balance", Jennifer added.

Ms. Mercer added that the system will be thoroughly tested by initially enrolling selected cooperative employees to help ensure integration is successful, notifications function as expected and the web service accessed by members to view their accounts displays all pertinent information.

Offering to the general public is anticipated mid to late summer.

About Exceleron Software

Exceleron Software, a software development company based in Colleyville, Texas, has over 10 years experience in the prepaid industry from a development, member services, and marketing standpoint. Having first entered the prepaid industry through its development of a total prepaid alternative for telecommunications providers, Exceleron turned its efforts to applying this same knowledge to electric service providers in 2004.

Memberships and Affiliations: Exceleron is a Silver Associate member of NRECA; certified as MultiSpeak compliant and as a MultiSpeak Software Developer; and was a presenter at NRECA's TechAdvantage in Las Vegas in 2007.

Exceleron welcomes all speaking engagements and presentation opportunities. Please call 972-852-2711 to learn more about Exceleron and its prepaid solution with patent pending.
